COVID PLAN

We are not limiting fans to USD 224 activities. We do ask people to take advantage of our online viewing options if possible. Games at the middle school can be viewed on USD 224 facebook live, and games at CCHS can be viewed on the NFHS network

All players, coaches, referees, bus drivers and spectators will check in at the front door and have their temperature taken by our scanner. Anyone with a temperature over 100 degrees will not be allowed in USD 224 buildings. We will require all visitors to wear an approved face covering at all times when in USD 224 buildings. Athletes will be allowed to follow KSHSAA guidelines with masks once they take the floor for warmups. USD 224 staff will be sanitizing and following KSHSAA guidelines during the activity as well. It is our responsibility to keep the athletes and fans safe and we will take it seriously.

Exits

Lit identification throughout the building. In the gym, exits are at each of the 4 corners of the gym. Leave the Football field/Track area in any direction

Storm Shelters

Storm shelters are located in the school cafeteria.

Communication

Administration and PA will be responsible for emergency instructions and directions
