

# **Smith Center Junior Varsity Tournament**

## **Saturday, September 12, 2020**

**We have adjusted our tournament format to be bracketed instead of a round robin due to KSHSAA recommendations. We will utilize both the high school and grade school facilities.**

**Barring any last minute changes, we will have (3) teams in each pool, one at the high school and one at the grade school. The winner of one pool will play the runner up of the other pool and vice versa. The third place finisher in each pool will play each other. A single net will be used in each gym.**

**Pool A (High School)**

**\*Smith Center, Concordia, and Beloit**

**Pool B (Grade School)**

**\*Phillipsburg, Republic County, and TMP**

**\*\*After all three pool play matches are complete, the first place finisher in Pool A will play the runner up in pool B at the high school. The first place finisher in Pool B will play the runner up from pool A also at the high school. While these matches are being played, the two third place finishers will play each other at the grade school. The finals will be at the high school and the 3<sup>rd</sup> place matches will be at the grade school. All schools need to supply their own libero trackers as well.**

**I need to also add that all spectators will be required to wear masks in the building at all times.**

**This may be inconvenient at times, but so is everything else during these times.**
